The  
Murphy  
Group  
LLC

Global Business Development

*TMG is a global team of senior professionals dedicated to providing management consulting to the fuels/food retailing industry, including sustainability initiatives.*

## Your consultancy for profit & growth

The Murphy Group LLC (TMG) is a privately owned, global management consultancy with over 25 years experience in the global fuels and convenience retailing business. Our senior consultants have the expertise and knowledge necessary to help you *become more sustainable*.

- 'Green' Assessments of your Facilities & Practices
- Educational Workshops
- Customized Consulting Assistance

The Murphy Group LLC, LEED-Accredited Professional and Senior Consultants can assist you by offering a menu of services including:

### 'Green' Assessments of your Facilities & Practices

- Trademark Assessment of legacy and newer facilities
- Evaluate the equipment, energy efficiency, HVAC, lighting, waste reduction & water efficiency
- Detailed report with observations and recommendations

### Educational Workshops

- Conduct workshops for clarity & prioritization based on return on investment
- Provide access to resources including government links, tools and organizational links
- Provide information for best practice product sourcing and practical solutions...many low cost, or no cost suggestions

### Customized Consulting

- Assist with Prioritized Action Plan & Implementation
- Advise best practices for new builds
- Investment alternative approaches to optimize ROI
- Practical solutions to save money and improve environmental impact

### Client Feedback

*"TMG is a good alternative for medium to small size retailers who would like to infuse expertise into their knowledge bank in order to take advantage of energy efficiency and other sustainability opportunities, especially during this economic downturn, when taking costs out of operations is essential. TMG offers good value as well as expertise that can help retailers prioritize the energy efficiency sustainability projects with the highest payback"*
